Priority of play will be given to players DISPLAYING tags

Rules of the courts:

- Help keep the courts clean by placing your rubbish in the bins provided
- Release tension on tennis net wire when you've finished playing

LADDER MATCHES

Lucy Williams ran the Ladder for the ladies last year and the new format was very successful. Lucy has kindly offered to organise the Ladder again this year— for the ladies and for the men. Rules are below. Please contact Sue Griffin if interested.

Match Rules Matches consist of 11 games and each player simply scores the number of games won (eg. 11-0, 9-2, 6-5 etc). The final game is a tie-break game (to 7 with 2 clear points) regardless of the score at the time. Once you have played your game the winner should email the results to Lucy, copying in their opponent.
